Dear School Age Families:

Thank you so much for your interest in our Suimmer Program. We are excited to be offering this program again this year. We are planning three days per week off campus. Off campus days will include swimming at a State Park, pools and other adventures. We will be providing a variety of activities while on campus.

This year our Summer Program Group Leaders are returning teachers, Ben Wood, Audrey Cole, Brayton Engelhardt, and Kevin Crutchfield. Our support staff will include Emiliano Barerra.

Right now space is limited in this program to 35 campers. Registration will be first come, first serve with priority given to families choosing a five day per week schedule. A deposit of \$315 is required to reserve your spot. Once the deposit and registration form are recieved, you will get a confirmation letter. We are looking forward to supporting the families currently enrolled, returning families and new to First Start families.

Best,

Sally and Tricia
