

Educational Assistant

\$25/Hour

Full-time (40 hours/week), school-year calendar position (180 days).

Second Start is looking for an educational assistant to work in a small group, high school program at our school at 450 North State St., in Concord. This small group, intensive program has a staff of eight and serves between 25 and 30 students for a highly modified program, with personal growth as a central goal toward self-sufficiency and the ability to function in the larger school setting. A qualified applicant should have a Para II certification or equivalent and the ability to effectively reinforce professional staff lessons in all subject areas. At least 1 year of experience working with children in an educational setting and experience or specialized training working with individuals with special needs is preferred. EOE
